London Borough of Barnet

Headteacher
Mrs C Minihan

The Meads, Burnt Oak, Edgware, Middlesex, HA8 9HQ

Tel: 0208 906 0723

Dear Parents,

18 May 2017

Re: Section 5 Ofsted Inspection

On behalf of the Governing Body, I am very pleased to inform you that following our recent Ofsted inspection on 25/26 April 2017, The Annunciation Catholic Junior School has been judged '**a good school**'.

The latest Ofsted Framework is rigorous and demanding. Therefore, we are particularly pleased to have achieved good for overall effectiveness and good for all categories. As governors, we are delighted with the outcome of the report and the many positive aspects of our school that it endorses:

- Teachers and support staff are extremely dedicated to their work.
- Purposeful learning environments coupled with high expectations for pupils ensure that good learning takes place.
- Leaders ensure that pupils' physical and emotional needs are well met.
- Pupils' enthusiasm for learning is reflected in their high punctuality rates and above average attendance.

I am sure you will join with me in congratulating Mrs Minihan and all staff, both teaching and support staff for their hard work, professionalism and the great effort they have made in raising standards, not just during the inspection but throughout the last two years which resulted in this positive outcome.

I would like to take this opportunity to thank you as parents for your continued support, which is greatly appreciated. Your views of the school given to inspectors either in person or electronically over the two days were very helpful to the inspection process.

The full report will be available on the school's website shortly and can also be downloaded from the Ofsted website. If you wish to discuss any aspect of the report further, please do not hesitate to contact either Mrs Minihan or myself via the school office to make an appointment at a mutually convenient time

Finally, I would like to assure you that this good judgment will not bring with it the slightest hint of complacency as we challenge ourselves and pupils to make even greater progress through the many opportunities provided. Over the next few weeks, we will consider the report's suggestions which will enable us to take the next steps forward.

Yours sincerely,

Anne O'Shea
Chair of Governors
