## Updates

### Junior School Playground project

The next big, long term project the PTA have been working on is new playground equipment for the Junior School. We have been busy researching funding and grants and a survey has been carried out to assess the grounds. It is really important to have the children's feedback on what equipment they would like, so Miss O'Pray will be liaising with the children to get their input.

### Prayer Garden

The prayer garden is a well used space in the Junior school, but could do with a little TLC. The PTA wish to help restore the path, seating and planted areas. If any parents/carers would like to help with this project, please get in touch!

### Next Event
