Dear Parents/Carers,

We have begun to say goodbye and good luck to our Year 2 and Year 6 pupils as they prepare for the next stage in their school life.

Year 2 celebrated their Leavers' Mass on Wednesday in the Church and the children read and sang beautifully. It was lovely to see so many parents and family members join us for this beautiful Mass and it was a very emotional occasion. Thank you to Fr. Chinedu for celebrating Mass and helping the children to think about all they have achieved since they joined the Infant School. He is looking forward to working with and supporting the children as they continue their faith journey in the Junior School from next term. We are very proud of every one of this group and know they will continue to shine and "Be who God meant you to be" as they move into Juniors.

Last night, we also said a special goodbye to our Year 6 pupils as they celebrated their Leavers' Mass at school. Fr. Chinedu spoke to the children about the wonderful memories they will take with them from their time at The Annunciation schools and to remember that Jesus will always be with them, helping them to meet new challenges in the future. After their play last week, this was another very emotional occasion for the children, their families and staff who have worked with them. They have grown into such mature and thoughtful young people and we know they will continue to do their best and make themselves proud, just as we are so proud of them. Thank you children for your participation in the Mass.

Celebration of The Word

The Gospel for Sunday 14th July 2024

In this Sunday's Gospel, Jesus sends his friends on an urgent mission. He instructs them to heal and to share his message with all who will listen. Jesus wants us to listen closely to his words, this will remind us what's really important in life and how much we are loved by God.

Jesus summoned the Twelve and began to send them out in pairs giving them authority over the unclean spirits. And he instructed them to take nothing for the journey except a staff – no bread, no haversack, no coppers for their purses. They were to wear sandals but, he added, "Do not take a spare tunic." And he said to them, "If you enter a house anywhere, stay there until you leave the district. And if any place does not welcome you and people refuse to listen to you, as you walk away shake off the dust from under your feet as a sign to them." So they set off to preach repentance, telling people to change their lives and turn back to God. And they cast out many unclean spirits, and anointed many sick people with oil and cured them.
