Dear Parents and Carers

Today we will have our Summer's Fayre and I would like to take this opportunity to again thank the PTA for their continued hard work and fantastic efforts to support our family of schools. PTA members have been working for months to organise the inflatables and other fun events, stalls, raffles and food for the whole school community to enjoy this afternoon. Huge preparation and planning has gone into making this event as fun and successful as possible and we are very fortunate to have such an active and supportive PTA. Thank you parents and children for your generous donations last week and again throughout this week and we look forward to enjoying this event together today with you all.

Class 2A shared a wonderful assembly with their parents and Key Stage 1 classes this week on the theme of **"Fruits of The Holy Spirit"**. This followed their recent work on the Feast of Pentecost and the 'fruits' or virtues of **love, joy, peace, patience, kindness, goodness, faithfulness, gentleness and self-control**. Through song, prayer and sharing their work, the children showed how we carry these fruits in our hearts and live them out at school and at home. Thank you to Miss Kagyah, Mrs Brett and Ms Ginty, or all their work to prepare the children. We are very proud of how Class 2A have worked together and supported each other during the year and we know they are ready for Juniors - well done children!

The Year 6 classes joined together today to share a joyful assembly with parents and Key Stage 2 classes on their recent four day residential **'School Journey'** to PGL at Lincolnshire. The children used songs and drama to really bring the different experiences and activities of the trip to life and we also enjoyed a beautiful video presentation. They shared how they worked together as a team to support each other and the memories they will have from this very important time in their primary school journey. We will be saying goodbye to this wonderful group of children in a few weeks time and we are incredibly proud of how mature, thoughtful and caring they are. Thank you again to all the staff who made this experience so memorable for the children and to Miss Brennan, Miss O'Hare and Mrs Vara for working with the children on this very special final assembly.

Pupils from all Junior year groups took part in the Barnet Schools' Music Festival yesterday evening at Finchley Arts Depot. The children sang beautifully and the evening was a great celebration of their talents. The children really did themselves proud and enjoyed performing in front of the many parents and family members who joined them at the Festival. Thank you to Mrs Stanley, our specialist music teacher, for all her fantastic work with the children throughout the year to support them with the singing and music curriculum. Thanks also to Miss Kasmollari who also accompanied and supported the children at this event.

Have a wonderful weekend and enjoy the summer sunshine!

In this Sunday's Gospel, when the storm starts tossing the boat around, the disciples still don't seem to recognise that Jesus is in control. But, with just a few words, he shows his divine power by calming the wind and the sea. Jesus reassures us that putting our trust in him stops us from worrying about so many unnecessary things.

Jesus said to his disciples, "Let us cross over to the other side of the Sea of Galilee." And leaving the crowd behind they set off. Then it began to blow a gale and the waves beat upon the boat so that it was almost filled with water. Jesus was asleep in the stern of the boat, his head on a cushion. They woke him and said to him, "Master, do you not care? We are going down!" And he woke up and rebuked the wind and said to the sea, "Quiet now! Be calm!" And the wind dropped, and all was calm again. Then he said to them, "Why are you so frightened? How is it that you have no faith?" They were filled with awe and said to one another, "Who can this be? Even the wind and the sea obey him."
