Dear Parents/Carers

It was lovely to welcome back all of the children to school following an eventful half-term.

So many parents and children took part in Mr. Doherty's half-term challenge which has meant that the children of the Annunciation came back

to school wanting to share their new found experiences with their teachers and staff. Today in assembly all the names of the children who took part in the half-term challenge were entered into a box and Mr. Doherty and Mrs. Minihan picked two names at random, one from the infants and one from the juniors. The lucky children chosen at random received a prize.

Next week have Careers Week. There are a handful of parents who will be visiting the school and talking to the children about their profession, focusing on how maths is used day to day. We have a range of speakers including, a midwife, a priest, a micro biologist, an analyst at Heathrow, a full time parent, a bio medical scientist and a solicitor. If any parent/ carer would like to participate please contact Mrs. Pearce/ Mrs. Woods via class dojo.

This week Parents' evening took place at the Infant school. It was wonderful to welcome parents back into the school building and to share their children's achievements and work with you.

Our Family Prayer

Dear Lord Jesus,

Help us to share your love by being generous to others

Amen

In this **Sunday's Gospel** we are told that in order to be generous and kind like the **poor widow**, we must trust that God will take care of us, even if we share all that we have with others, even if, like the poor widow, we believe that we do not have much to give! It's **the smallest things** that can make the **biggest difference**... a smile, a friendly face, a helping hand, **a kind word** or helpful deed, a shared moment. In these ways we share God's love with others.

*yellow, orange, brown
and green, the colours
of Autumn
the leaves are falling
one by one. The sunny
days will soon be gone
as they fall they twirl
around, twirl around
twirl. Twirling,
swirling to the ground
it is Autumn*

Autumn Tree

Leaves are falling everywhere.
Autumn's coming here and
there.
Rusty red leaves cover the
ground.
If you step on them you hear a
sound.
The clouds look like a comfy
pillow.
The mountains look like a
village of people.

Beauty of Autumn

leaves coming down and down
onto the green ground.
Trees turning red and golden
and orange and brown.
The fluffy clouds floating above
the valley of all sorts of colours.
The water in the river flowing
and flowing around and around.
A cold stream of wind gliding
down and up going into
everything in its way.
Stefan 5B

Autumn

As autumn leaves fall all around.
They make a blanket on the
ground.
Begin to blow.
The roots are safe from the
freezing snow.

Autumn

Autumn leaves red gold brow
Swirling down making piles
every were
Bringing kids joy because they
get to step in it
"Ohh" here that crunch noise
that's the sound of leaves
getting
Crushed
Autumn leaves red gold brown
swirling down
And summer I think it's time you
go
I liked you while it's lasted but I
have to say good bye
sorry bye bye

Autumn

Autumn

Autumn leaves red, gold,
brown falling, swirling, drifting
down making a warm, soft
blanket
Sharp, long, prickly branches
getting snapped all day long
Brownish trees holding the
leaves as hard as they can but
is falling bad autumn the month
of coldest and hot baths
Autumn, autumn is ready to take
over summer
Autumn Ready than ever to
take over
So summer pack your bags and
get out it's time autumn takes
over
Bye bye it's not you time
anymore
Autumn

Autumn breeze

The orange leaves fall in the
autumn breeze while the tree
gazes down at the mountains
The water moves like some
elegant fountains.
Mountains stand tall,
In the autumn or fall.
The warm gust of wind strikes
upon the things below,
The orange tree is stranded
high up not low.

fun about autumn Toju 5b

one is orange two are brown
three look yellow on the ground
three are green two bright red
one just fell upon my head

Let's get ready for Autumn

*Autumn Leaves fall
No time for a snore
Summer has gone
Sun no longer strong
Let's get ready for autumn
It's gonna be so awesome
You cannot be late
Winters coming on the skate
The seasons go fast you know
Let's hurry before winter and
snow*

The Autumn Day!

Autumn is here!
the strong wind draws near
it sways the leaves
as it falls off trees.

The leaves fall to the ground
and I love to hear its crunching
sound
Crunch Crunch!
Stomp Stomp!

I see a pile of remarkable,
bright leaves
flying to and fro from the cold
breeze
I hear the gasps of the wind
Now I know that somewhere
near
Autumn is finally here!

Crunch!!

Once on a Autumn morning

Once on a Autumn day,
The robin flew around,
The sturdy, fine tree stood while
the squirrel.
The trees prepare for winter as
the whispering breeze ran from
ear to ear,
Red to brown,
yellow to orange,
The leaves scattered down,
down, down.

Autumn fun

Autumn is fun
Let's Autumn run
We will smush and crush in the
leaves
And have so much fun
Fun is like a rivive
Let's enjoy autumn and stay
alive
It will be me and you

Autumn has arrived

Golden leaves on the trees,
Floating softly to the ground.
Walking heavily through them,
Oh, listen to that crunching
sound!

Misty, moist mornings,
Autumn has arrived!

The wind is swaying in the
trees,
So happily and carefree.
Autumn is defiantly here,
This is my favourite time of the
year!

Misty, moist mornings,
Autumn has arrived!

- Summer 5B

Autumn i like

The leaves are red
The trees are brown
This is the autumn time

The wind whispers through the
branches
The trees cover the moutains
The mist is like a watering
fountain
Leaves are red

Autumn Days

Leaves slowly falling down the
tree above the mountain
causing a disruption from the
birds nest. The clouds were
white as a polar bear that liked
snow for their time. We all like
how their white and fluffy.

Autumn morning

Autumn Leaves

Autumn is coming soon
Bright orange leaves dance out
of the trees
They glisten in the light of the
moon
It will be winter soon and the
leaves will freeze
But, for now, we can enjoy all
the beautiful multi-colours of
autumn leaves.

Fall is here

Leaves are falling
Leaves are falling
To the ground
Without a sound
Days are getting shorter
Nights are growing longer
Fall is here
Fall is here

The Old Oak Tree

When I go out to the park, I go
to see my good friend The Old
Oak Tree.
When the wind blows I hear the
leaves swishing and swaying in
the breeze.
This old tree changes with time
but will forever be a dear friend
of mine.

Ruby

Autumn Leaves

Bright red autumn leaves
They tumble and flutter and fall
They dance from the branch to
the ground
Swaying playfully for us all
Not an ice cream cone in sight
That season has come and
gone
Now is the time for kicking up
leaves
From dawn until the day is done

Big Red Tree

If you want to
You can fall down tree
And then you can change
colours
You can turn into black green or
red
Hey yey yey there tree
And Jesus will look after you
Jesus loves you
Jesus is loving and Jesus will
help you
If you're alone Jesus will come
Nothing can break you tree

Leaves on the Ground

As leaves fall onto the ground
I love to hear it's crunching
sound,
A burst of wonderful colours I
see
It almost makes me feel free.

As I run, tumble and play
On this nice autumn day,
Leaves falling onto my head
It reminds me of something I
read
The poetry of the earth is never
dead.

A beautiful place like
sunshine
after the rain
The leaves are colourful like
rainbow in the sky
The mountains are big and tall,
Should we see them all?
Thank you God for this beautiful
place
Praying to see them someday

Autumn

Leaves falling in the cold wind,
the mountains oh so high. Just
as when the leaves fly a forest
blanket, the blue sky.
Marshmallow clouds floating a
perfect time for some boating.

Autumn Leaves

**Autumn leaves fall off the
trees,
making a carpet of red.
Grouping together on the
ground,
becoming a mountain of
leaves.**

**Autumn leaves cover the trees,
making a soft blanket.
Picking up friends on the way,
they glide from a to b.**

**Autumn leaves we say good
bye.
Next year they'll be here again,
painting the ground.
We'll remember your red
colour.**

Cian

I see orange.
I see brown.
All autumn leaves
Are falling down.

Beautiful leaves are on the
ground,
Children can come to play
around.

Autumn morning

The leaves are falling from the
trees.
Kids are jumping happily.
I can here the cracking sound
of the leaves.
The wind is howling through the
trees.
Autumn here 🍂🍂

Mother Nature

What a beautiful creature
How much you have to offer
soothing all those who suffer
With this wonderful creature

Trees are growing
And the autumn time leaves are
falling
And my heart is melting
With what I am seeing
Kids like me are enjoying.

Mountain Mists

The South Wind brought the
mountain mists,
The shepherd began to fear.
How would he keep the hungry
wolves from his flocks til the
end of the year?
No need for leaves to shield him
now from the heat of the sun at
its peak,
Though the colour they shone
before they fell spun his mind
from a thought so bleak.
As the seasons turn, the trees
have learned, to change with
the world as it twists
Let's not rush to picture spring
time yet while we savour those
mountain mists.
