Dear Parents/Carers

It has been another week **full of learning** at both schools.

As it is October, the month of the **Rosary**, the children in the Junior school have been creating their own rosaries at home. They are beautiful and today in assembly we saw some of the creations that had been made. **Year 3** have been listening to **blues** music to celebrate **Black History Month**; **Year 4** did a Science experiment looking at **changing states of matter**. In **Year 5**, children have been enjoying James and the Giant Peach and writing **diary entries** as characters from the book. **Year 6** took their Science **skills outside** this week and did a field study thinking about the percentage of our field which is covered by different living things.

At the Infant school, **Year 2** went on a sound hunt to help them write poems as part of National Poetry Week. **Year 1** have been working on their phonics and have been enjoying writing stories using this new knowledge. Children in **EYFS** have enjoyed going to the school library and choosing themselves a book; thinking about language they would use when taking books out of a library.

Just a **reminder** that both schools now offer **breakfast club** and if you would like a place for your child in after school club or breakfast club please contact the **relevant school office**.

It is for the **safety** of all of our community that we ask that you park in a safe way in designated parking areas. **Thank you** to the parents who continue to park safely, even if it means parking away from the school and walking.

Enjoy your weekend

Mrs Pearce

Assistant Headteacher

Our Family Prayer

Dear Lord Jesus,

May our family be rich in love and filled with happiness which comes from serving you and others.

Amen

Dear Parents,

Please make sure you are keeping your **children safe online**. Please be aware of the age restriction of the following apps: What's App = **16 years old**. Instagram, Tik Tok and Discord = **at least 13 years old**.

Safe
