Dear Parents/Carers

It has been another **wonderful** week at both schools.

it was great to see so many parents present at our first on-line '**Parent Teacher Association**' meeting. **Both school communities** were represented and some great ideas for raising funds were discussed. These PTA meetings will be scheduled monthly and will be **invaluable** in helping both schools to raise additional and much needed funds to **enhance** your child's learning experiences. If you would like to be involved please either post a message on Class Dojo or drop your email address to the reception of either school in an envelope marked PTA.

Our year four pupils visited the **Roald Dahl Museum** this week, as part of their work on the book '**Charlie and the Chocolate Factory**'. They had a great day and learnt more about Roald Dahl's most famous heroes.

Our infant school pupils from reception to year two became Chefs for the day when the company **Rootstofood** visited and turned our school hall into a kitchen. The children cooked Japanese Teriyaki Chicken with Bombay noodles and our reception pupils had the opportunity to make Stromboli. We will post the recipes on Class Dojo and we would love you to send in pictures of your children using these recipes at home. They were **wonderfully tasty**! Visit our twitter page to see more pictures of our pupils cooking these wonderful dishes.

A reminder that **breakfast club** now exists in both schools. You do not need to pre-book you can just turn up on the day and pay via Parent Pay. You can arrive **from 7:45am**. We also have **after school provision** across both schools. Letters went out to infant parents last week **advertising this offer** so if you would like a place for your child in after school club at the infant school please contact the school office.

Last week we reminded you of the importance of not blocking the pavement when parking your car to pick up your child. There has been a big improvement! To the vast majority of our parents who always park

considerately – Thank you.

At the Annunciation Schools we regard **keeping our pupils safe** as everyone's responsibility so please park safely.

Have a lovely weekend.

In this **Sunday's Gospel**, Jesus reminds his disciples and us to rejoice in **God's goodness** wherever it can be found.

Pope Francis reminds us that

"A good example brings about **so much good**.
Goodness always tends to spread"

Even the smallest good deed **pleases God** and spreads **His word**.
