Dear Parents/Carers

It has been another **successful** week at both schools.

It was lovely to see so many parents, albeit it virtually, in attendance at our **Curriculum meetings** both at the Infant and the Junior School. These meetings are **invaluable** in helping both school and home work together to get the best out of our children. All information that was shared at the meeting can be found posted on our **school websites and class DOJO**.

Trips started to take place this week at the juniors. Our Year 6 pupils visited the **RAF museum**

as part of their World War 2 topic, Year 5 visited the **Science museum** as part of their study of properties and changes of materials. Reception, Year 1, Year 1/2 and Year 2 will become **chefs** next week as the company **Rootstofood** visit and turn our school into a kitchen. Children will make Japanese Teriyaki Chicken with Bombay noodles. Visit the company's website to see what the day will hold for your children www.rootstofood.com.

We now have a **breakfast club** and **after school provision** across both schools. Letters went home to infant parents this week advertising this offer so if you would like a place for your child in after school club or breakfast club please contact the school office.

We are pleased to announce that we are starting an **Infant and Junior School PTA**. Our first welcome meeting will take place next **Thursday 23rd September at 4.30pm via zoom**. We hope to draw on our **communities' many talents**, plan **events** for the school community and **raise funds** for resources to **enhance** your children's learning experiences. This is an **extremely exciting opportunity** for both schools and we welcome any parent who is interested in joining.

Finally, this week we have been notified of **parents parking inconsiderately** outside the Junior school on The Meads. It is for the safety of all of our community that we ask that you park in a safe way in designated parking areas. A staff member will be outside from today to monitoring the parking situation. Thank you to the parents who continue to park safely,

even if it means parking away from the school and walking.

Have a lovely weekend.

Mrs. Minihan Mr. Doherty

In this **Sunday's Gospel**, Jesus reminds his disciples and us too that a **life of service** is a fulfilling life based on **Gospel values**. We can sometimes get caught up in our own lives and **forget to help others**. We grow closer to God when we **serve others**. Jesus lives a life of service. We should try to make service a part of our lives too.

Our Family Prayer

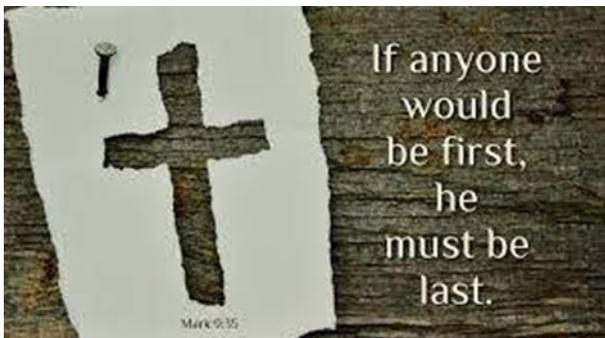

Dear Lord Jesus,

You served others. Please help me to follow your example, so that my home, my school and my community may be filled with your love. Amen

Dear **Infant School Parents**,

Please remember to complete the on-line survey. It will only take a few minutes to complete and it will help us to better understand your views
