Dear Parents/Carers

We have had a great **start** to this term. The sun has been shining and the children have enjoyed being **back at school** with their friends.

Lots of **exciting things** have been happening .

Some of our reception pupils have joined us and were photographed

happily **exploring** the different aspects of their outdoor learning environment. In Key Stage One there was great **enthusiasm**

displayed as the children learnt more about traditional tales and were busy using puppets to retell the story.

Our junior school children have been equally busy reading books by **Roald Dahl** and enjoying learning about some of his more interesting characters . Year Three have delved into the Book 'George's

Marvellous Medicine' and are not quite

sure what to make of **George's grumpy granny**. Whilst Year Four have

been looking what they can infer about Charlie's personality **from his description** and Year Five have encountered the mean aunts in James

and The Giant Peach. **Scary!** Year Six have been busy taking on **new**

roles of responsibility across the school including writing their

manifestos to be elected as House captains. See next week's newsletter

for the results.

We would like to thank you for your continued support.

In this Sunday's **Gospel** we are reminded that **Jesus** was many things to many different people, He was a teacher, a healer and a leader. Peter realises the truth about Jesus that he is **the Son of the living God**. Even though the disciples were always in the company of Jesus it took them awhile before they recognised him for **who he truly is**. We too are called upon to take time to get to know and love Jesus for who he really is. **Pope Francis** reminds us that "Jesus loves us without limits".

Our Family Prayer

Dear Lord,

As we start our new school year please watch over and protect all our pupils, parents, staff and governors.

Amen

Dear Infant School Parents,

Please remember to complete the on-line survey. It will only take a few minutes to complete and it will help us to better understand your views
