

PSHE Knowledge Organiser

Year 4 - How can our choices make a difference to others and the environment?

Key Vocabulary	Definition
Shared responsibility	We all have a responsibility to look after our environment and our world.
everyday choices	The simple choices we make each day such as turning the tap off while we brush our teeth
environment	All the physical surroundings on Earth are called the environment.
Fairtrade	Fair trade is a way of buying and selling products that allows the farmers to be paid a fair price for their produce, and have better working conditions.
British Values	British values are defined as democracy, the rule of law, individual liberty, mutual respect and tolerance of those of different faiths, cultures and beliefs.

Prior Knowledge

Year 1 - How can we look after each other and the world?

Year 3 - What makes a community?

In this unit, we will learn...

- how people have a shared responsibility to help protect the world around them
 - how everyday choices can affect the environment
- how what people choose to buy or spend money on can affect others or the environment (e.g. Fairtrade, single use plastics, giving to charity)
- the skills and vocabulary to share your thoughts, ideas and opinions in discussion about different issues
- how to show care and concern for others (people and animals)
- how to carry out personal responsibilities in a caring and compassionate way
