

At The Annunciation Catholic Infant School, we believe that every child is a writer. We are passionate about developing every child's knowledge, motivation and confidence in their writing. We have chosen HFL Education's **ESSENTIALWRITING** as the basis of our writing curriculum for Key Stage 1. This is an ambitious and progressive writing scheme which provides our children with opportunities and tools to write for a range of specific purposes and authentic audiences. As a result, our children feel inspired and ready to write high-quality outcomes within the classroom but also have the knowledge, strategies and confidence to choose to write in their own lives.

Writing Purpose		Year 1	Year 2
To entertain		✓	✓
To inform		✓	✓

Each year group has 13-16 teaching units, all of which use diverse and high-quality literature as good examples of writing craft and to help to motivate or inspire children to write.

ESSENTIALWRITING is fully aligned with the National Curriculum for English including writing composition, vocabulary, grammar & punctuation for each year group. Each writing unit is progressively structured and centred around the different writing purposes: **to entertain**; **to inform**; **to persuade** and **to discuss**.

Genres are studied across each year group as follows:

	Write to entertain	Write to inform
Year 1	Storyboard Short picture book Simple fairy tale Short story Poetry	Lists, labels and captions Instructions Rules Letter Recount Simple explanation/ fact file
Year 2	Picture book Short story Narrative based on real experiences Fairy tale/ Traditional tale Poetry	Instructions Letter Postcard Recount (inc. real events) Simple non-chronological report

Follow this link to access the statutory content of the English objectives within the National Curriculum: [English programmes of study: key stages 1 and 2 \(publishing.service.gov.uk\)](https://publishing.service.gov.uk). The information below outlines our approach to the teaching of writing in each year group, which encompasses the teaching of the statutory content as outlined within the National Curriculum for writing for key stage one. For this academic year, **ESSENTIALWRITING** is implemented in Year 1 and Year 2, but builds on the foundational learning from the EYFS.

Alongside **ESSENTIALWRITING**, at The Annunciation Catholic Infant School, we have adopted Little Wandle's bridge to Spelling as the basis of our spelling curriculum in Year 2. **ESSENTIALWRITING** supports our children to apply this learning in context and build their spelling confidence. Writing models reflect age-appropriate spelling objectives and children are taught how to monitor the accuracy of their writing. Handwriting is also taught. We have adopted Letterjoin, to ensure that every child gains sufficient fluency for writing, with knowledge of accurate letter formation and how to join letters so that they can meet the National Curriculum expectations for each key stage.

Year ONE

In Year 1, the children are always encouraged to write for an authentic audience and are introduced to the concept of writing to entertain and to inform their readers. Alongside their growing knowledge of how sounds are represented in writing (grapheme-phoneme correspondence, or GPCs), the children learn how to use this knowledge to write a wider range of vocabulary to support their own compositions. Simple sentence structure is emphasised, along with use of spaces between words, capital letters and full stops, to help the reader know where one idea ends and another begins. The children will also start to extend the range of punctuation applied by using question marks and exclamation marks in their writing. They will become familiar with a range of genres, such as narratives, recipes, letters and explanations, and enjoy playing with language whilst writing their own poetry.

Year TWO

In Year 2, the children build upon their understanding of writing to inform and to entertain their audience. Use of sentence structure is consolidated further, and the children are taught how to join their ideas to create greater variety and interest for the reader. Punctuation to demarcate sentences is regularly taught and reviewed, and the children are introduced to using a comma to separate items in a list and apostrophes to show where letters are missing (contraction) or singular possession. A range of wider vocabulary is taught and encouraged within the children's writing, to support more detailed description, along with the use of adjectives and adverbs to add detail to nouns and verbs. Children in Year 2 are taught about a wider range of genres to suit their writing purpose, such as a non-chronological report and instructions when writing to inform. To support their understanding of how to entertain their reader, they are also taught about some figurative language techniques, such as the use of simile and alliteration.

In **ESSENTIALWRITING** lessons, the stages of the writing process are given dedicated teaching time to enable all children to behave as writers. They learn about these vital stages of writing and, within key stage one, they are given time to collect their ideas, plan and compose their writing orally before writing. They are given regular opportunities to share their writing by reading and rereading it aloud. Children regularly discuss what they have written with their teacher and their peers to ensure their meaning is clear. They are taught to proof-read to make corrections in spelling, grammar and punctuation so that their readers can follow their writing with clarity. Vitally, within all writing units, the children are given time to publish their writing to share it and celebrate their success with their intended audience.
